Program

Program Accepted Into Graduate Diploma in International Medicine & Public Health (DIMPH)

Beginning Date of Program Monday, March 25, 2024

Program Information

Learners in the Graduate Diploma in International Medicine & Public Health are **required** to complete **two** educational components.

1) GRADUATE CERTIFICATE IN INTERNATIONAL MEDICINE & PUBLIC HEALTH

Each INMED Graduate Diploma in International Medicine & Public Health participant must successfully complete the INMED Professional Certificate in International Medicine & Public Health.

2) INTERNATIONAL SERVICE LEARNING

The second component of the INMED Graduate Diploma in International Medicine & Public Health is a service-learning experience.

Learners serve a minimum of four weeks* at an INMED International Medicine Training Site or an approved equivalent training site where they are supervised by experienced INMED faculty. Responsibilities vary from site to site, and may include inpatient care, outpatient clinic, procedures, obstetrics, night duty, and participation in research, public health, and primary care activities.

OR:

“Service-Learning via Equivalency”: INMED endeavors to recognize excellent international medicine service-learning experiences provided by other institutions towards qualification for an INMED Professional Diploma.

*International Service-Learning is ideally at least four weeks in duration. This length of time significantly increases the likelihood that the learner will experience a substantial growth opportunity. However, INMED realizes that some learners have professional commitments that preclude them from being absent for four weeks. Therefore, INMED offers an exception to the four-week requirement. If accepted into the International Service-Learning Reduced Duration Pathway, the requirement is reduced to at least two weeks on location followed by composing a quality improvement project.

Graduate Diploma in International Medicine & Public Health – DIMPH

Length of Program

Total Length of Program: 12 Weeks

- 1) Graduate Certificate in International Medicine & Public Health
 - 8 Weeks of Virtual Content
 - Required Weekly Virtual Classroom
 - Final Exam
- 2) Service Learning
 - 4 Weeks at an INMED International Medicine Training Site or an approved equivalent training site

Total Tuition and Fee Costs

Total Cost of Program: \$2425 *plus additional expenses for service learning*

- 1) Graduate Certificate in International Medicine & Public Health
 - Non-Credit Hour: \$1475
 - Course tuition includes registration to course, course materials, textbook, and certification upon successful completion of the course.
 - Included Textbook: INMED International Medicine & Public Health
 - Author: Nicholas Comninellis, MD, MPH
 - Publisher: Institute for International Medicine, 2012
 - 400 pages
- 2) Service Learning
 - Application Fee: \$100
 - Enrollment Fee: \$850
 - Service-Learning fee covers the cost of one's international medical liability insurance policy (that protect learners from healthcare litigation abroad), the cost of an international travel and evacuation insurance policy (for personal health crises), and for the uniquely challenging logistics of arranging of international service-learning in low-resource communities.
 - Other expenses associated with Diploma training normally include airfare, passport, visa, vaccinations, and housing and meals at the international site. These travel expenses are usually on the order of \$3000 – \$4000. INMED can provide Training Site specific estimates. Participants are responsible for all fees.
